**In re:**

JAMES M. MASSA,

**Debtor.**

**Case No.:** 19-28865-MBK

**Chapter 13**

**Hearing Date:** March 3, 2020

**Oral Argument:** Not Requested Unless  
Opposed

**OBJECTION BY THE OLD BRIDGE MUNICIPAL UTILITIES AUTHORITY  
TO CONFIRMATION OF THE DEBTOR'S PROPOSED CHAPTER 13 PLAN**

Comes now the Old Bridge Municipal Utilities Authority (the "MUA"), a secured creditor in the within case, by and through its counsel Scarinci & Hollenbeck, LLC, and files the within objection to the proposed Chapter 13 Plan (the "Plan") by the debtor James M. Massa ("Debtor"). In support thereof, the MUA says as follows:

**Introduction**

1. The Debtor's Schedules list the MUA as an unsecured creditor with a claim in the amount of \$6,354.00. The Debtor's Plan incorrectly fails to mention the MUA at all. However, the MUA has a priming, first lien secured claim totaling \$7,590.59. The Plan must accordingly be amended or rejected.

**Background to the MUA's Claims**

2. The MUA is a Municipal Corporation of the State of New Jersey, formed under N.J.Stat.Ann. §§ 40A:31-1, et seq. and 40A:26A-1, et seq., for the purpose, inter alia, of providing water and sewer service to residential and business customers in the Township of Old Bridge, New Jersey and in related areas.

3. Upon information and belief, as of the date of their bankruptcy petition and continuing until today, the Debtor owns real property at 178 Southwood Drive, Old Bridge, New Jersey (the "Property"). Debtor at relevant times has been a customer of the MUA with regard to the Property.

4. As of the date of the bankruptcy petition, plus the amounts accruing thereafter, Debtor owes the MUA no less than the sum of \$7,590.59, on account of unpaid water and sewer charges. Of that sum, \$6,207.78 represents principal, and \$1,382.81 thereof represents interest through January 29, 2020. The basis for these amounts is described herein in greater detail.

5. On February 7, 2020, counsel for the MUA filed its secured proof of claim in this case for the above-stated amounts. A true and correct copy of same is annexed hereto as Exhibit A.

6. Furthermore, all of the above amounts will increase during the bankruptcy and be added to the MUA's claims. The MUA reserves the right to amend its claim in order to assert all such additional amounts as part of its overall claim.

**Objection to the Debtor's Proposed Chapter 13 Plan**

7. The Debtor's Plan incorrectly fails to mention the MUA at all. However, the MUA has a priming, first lien secured claim totaling \$7,590.59. The Plan must accordingly be amended or rejected.

8. The legal basis for the MUA's claims is at N.J.Stat.Ann. §§ 40A:31-12 [water] and 40A:26A-12 [sewer]. These provide that rates, fees, or other charges levied by the MUA in accordance with the statutory structure "shall be a first lien or charge against the property benefited therefrom." Moreover, as noted in Ocean County Bd. of Realtors v. Borough of Beachwood, 248 N.J.Super. 241, 252 (L.Div.1991):

N.J.S.A. 54:5-8 directs that all other municipal charges which are liens on real property shall become liens on the respective dates fixed by law. Thus, water and sewer charges can be treated in the same manner as real estate taxes.

9. The MUA is also entitled to post-interest on its claims pursuant to these same statutes, which provide that "interest upon the amount unpaid shall accrue." Where a creditor is over-secured (as is the case here -- where Debtor's Schedule A lists the real estate as having a value of \$480,000.00), the creditor is entitled to interest, and any reasonable fees, costs and charges incurred post-petition. United States Association v. Timbers of Inwood Forest, 484 U.S. 365, 372 (1988); see also 11 U.S.C. §506(b). This entitlement is applicable regardless of whether the over-secured claim is consensual or non-consensual. See U.S. v. Ron Pair Enterprises, Inc., 489 U.S. 235 (1989).

10. The MUA is further entitled to recovery of its legal fees, due to the language in N.J.Stat.Ann. §§ 40A:31-12 [water] and 40A:26A-12 [sewer], which states that "[l]iens levied in

accordance with this section shall be enforceable in the manner provided for real property tax liens in chapter 5 of Title 54 of the Revised Statutes. Pursuant to N.J.Stat.Ann. §54:5-6:

Taxes on lands shall be a continuous lien on the land on which they are assessed and all subsequent taxes, interest, penalties **and costs of collection** which thereafter fall due or accrue shall be added to and be a part of such initial lien. [Emphasis added.]

The MUA is therefore entitled to recover its costs of collection, including attorneys' fees.

11. All sums provided herein are subject to revision and/or modification, including but not limited to amendments to account for additional accruals of principal, interest, and costs of collection. The MUA specifically reserves the right to update, supplement, or revise its claim.

WHEREFORE, the Old Bridge Municipal Utilities Authority respectfully asks that the proposed Chapter 13 plan (the "Plan") by Debtor James M. Massa either be amended or rejected.

Dated: February 7, 2020

Respectfully submitted,

### **RIDER TO PROOF OF CLAIM**

1. The claimant Old Bridge Municipal Utilities Authority (the "MUA") is a Municipal Corporation of the State of New Jersey, formed under N.J. Stat. Ann. §§ 40:14B-1, et seq., for the purpose, inter alia, of providing water and sewer service to residential and business customers in the Township of Old Bridge, New Jersey and in related areas.

2. Upon information and belief, as of the date of the bankruptcy petition and continuing until today, the debtor James M. Massa ("Debtor") owned real property at 178 Southwood Drive, Old Bridge, New Jersey 08857 (the "Property"). Debtor at relevant times has been a customer of the MUA with regard to the Property.

3. As of the date of the bankruptcy petition, plus the amounts accruing thereafter, Debtor owes the MUA no less than the sum of \$7,590.59 on account of unpaid water and sewer fees for 1/5/16 through the date hereof. Of that sum, \$6,207.78 represents principal and \$1,382.81 represents interest through the date hereof. This amount is set forth in greater detail in the Open Account Inquiry annexed hereto as Exhibit -A-. The basis for this amount is described herein in greater detail.

4. Furthermore, all of the above amounts will increase during the bankruptcy and be added to the MUA's claims. The MUA reserves the right to amend this proof of claim in order to assert all such additional amounts as part of its overall claim.

5. The MUA's claims as set forth above are priming (first-priority) secured liens, pursuant to N.J.Stat.Ann. § 40:14B-42. This provides that rates, fees, or other charges with regard to any parcel of real property and levied by the MUA in accordance with the statutory structure "shall be a lien on such parcel" and [s]uch lien shall be superior and paramount to the

interest in such parcel of any owner, lessee, tenant, mortgagee or other person except the lien of municipal taxes. . . .” Moreover, as noted in Ocean County Bd. of Realtors v. Borough of Beachwood, 248 N.J. Super. 241, 252 (L.Div.1991):

N.J.S.A. 54:5-8 directs that all other municipal charges which are liens on real property shall become liens on the respective dates fixed by law. Thus, water and sewer charges can be treated in the same manner as real estate taxes.

And see Old Bridge Owners Coop. Corp. v. Township of Old Bridge, 914 F. Supp. 1059 (D.N.J. 1996), app dismissed and judgment vacated as moot, 246 F.3d 310 (3rd Cir. 2001)(in dictum that the charges of the Old Bridge MUA for water and sewer fees are priming liens on real estate).

6. The MUA is also entitled to post-petition interest on its claims pursuant to the same statute, which provides at N.J. Stat. Ann. § 40:14B-41 that “interest shall accrue . . . at the rate of 1 1/2% per month.” Where a creditor is over-secured (as is the case here -- where Debtor’s Schedule A lists the real estate as having a value of \$480,000), the creditor is entitled to interest, and any reasonable fees, costs and charges incurred post-petition. United States Association v. Timbers of Inwood Forest, 484 U.S. 365, 372 (1988); see also 11 U.S.C. §506(b). This entitlement is applicable regardless of whether the over-secured claim is consensual or non-consensual. See U.S. v. Ron Pair Enterprises, Inc., 489 U.S. 235 (1989).

7. The MUA is further entitled to recovery of its legal fees. As stated in N.J.Stat.Ann. § 40:14B-46:

In the event that any service charge of a municipal authority shall not be paid as and when due, the unpaid balance thereof and all interest accrued thereon, together with attorneys’ fees and costs, may be recovered by the municipal authority . . . .” [Emphasis added.]

The MUA is therefore entitled to recover its costs of collection, including attorneys’ fees.

8. All sums provided herein are subject to revision and/or modification, including but not limited to amendments to account for additional accruals of principal, interest, and costs of collection. Summary of Voluminous Documents

9. Records as to taxes and other amounts owed are or may be voluminous.
